## INTRODUCING CA-AME-EO

The California Arts, Media, and Entertainment Educator Organization (CA-AME-EO) will supports California CTE teachers teaching in the 4 Arts, Media, and Entertainment Pathways. It is meant to serve as a forum for idea exchange and industry updates.

### What is CA-AME-EO?

CA-AME-EO will serve as a forum for idea exchange and industry updates that are of interest or benefit to its members. We hope to create an organization that members can access at their own comfort level but one that can also be called on to

- (1) raise its collective voice when issues of common interest present themselves (i.e., Standards Revision, CTE Funding legislation, teacher certification requirements, Departmental funding inequities, etc.)
- (2) to provide Career focused professional learning support for AME pathway and sub-pathway teachers and administrators and
- (3) Provide a regular forum for teacher-to -teacher interaction on topics identified by its members.
